### Always your Trusted advisor <sup>2</sup>

Key leaders and auditors of VCPA have more than five – year - experience in providing audit and consulting services for companies in diversified economic sectors, international projects, project management units, Civil constructions... operating in different fields of economy:

Our dedicated commitment is to provide services that exceed the expectations of our clients and supporting sustainable development of companies running in Vietnam and over the world.

### Our strategic services:

- Audit of financial statements
- Tax consulting
- Accounting services such as book keeping for enterprises and reviewing financial statements prior to tax finalisation
- Audit of Investment capital finalisation.
- Engagements to perform agreed-upon procedures regarding financial information
- Financial consulting
- Valuation
- Training
- .....

Our audit involves an in-depth understanding of our client's business, internal controls, and risk spectrum. Before making audit-planning decisions and assisting in assessing risk, we conduct a diagnostic and analytical review. With a large collection of diagnostic and analytical tools available, this approach helps to identify undetected issues and increases the insight gained during the audit process. Our approach is in line with increasingly stringent demands for accuracy and appropriateness of financial statements.

### **PROFESSIONAL SERVICES,**

## ALWAYS

TRUST
